**Welcome!**

We are delighted that you have joined us today! We hope that you are comfortable here, but more importantly that you meet God here today.

As a guest we invite you to join us in each aspect of worship. Sing with us when we sing (no one cares if you are off key, we are just praising the Lord); pray with us and lift your needs when we pray. One area that we do not want you to feel obligated to participate in is the offering. This is a specific act of worship for members and regular attenders.

If you would like more information about our church, please visit our website: [www.grandviewalliancechurch.com](http://www.grandviewalliancechurch.com).

**Our Priorities**

- ❖ To glorify God in all that we do
- ❖ To share Christ's love in our everyday lives
- ❖ To support missions at home and abroad

**Kid's Corner!**

Just like in our bulletin, our church has a special space for children! It is in the basement of our parsonage. Kids are close at hand, but not disrupting the service, allowing you to truly focus on God. All workers have clearances.

Because he knew there was something fishy about it.

## **Alliance Prayer Requests**

July 30, 2018

### **URGENT PRAYER REQUEST ~ UNITED STATES**

Media outlets report that since Friday, the Carr Fire in and around Redding, California, has grown from 44,000 acres to 95,000 with only 17 percent containment. Another four people have died, seven are missing, 39,000 have been evacuated, and nearly 900 homes or structures have been destroyed.

Ray Van Gilst, Central Pacific District superintendent, writes, "Many of our pastors and families have been evacuated. Some of our families have lost homes, but we are not aware if any of our pastors have lost homes. Simpson University and our Redding churches are all being used as either evacuation centers or relief centers. We want to commend them for their part in serving their community."

President John Stumbo writes, "Our hearts and prayers reside with our Redding family in these trying days. Our Alliance pastors and Norm Hall, our new Simpson University president, are rising to the leadership challenge that such crises create. May God continue to grant them the grace to simultaneously handle well the personal trials of these circumstances while ministering to those around them."
